## May 2009

(ALL FACES TRAINING IS LOCATED AT 702 H STREET NW WASHINGTON DC 20001)

“Whether in the field of health, education or welfare, I have put my emphasis on preventive rather than curative programs and tried to influence our elaborate, costly and ill- co-coordinated welfare organizations in that direction. Unfortunately the momentum of social work is still directed toward compensating the victims of our society for its injustices rather than eliminating those injustices.” - *Agnes E. Meyer*

Most classes begin promptly at 9:00 am. The CFSA attendance and tardiness policy states that participants arriving after the first 15 minutes of class will not be admitted and will be classified as "too late to attend" and treated as a "no-show."
